

Loose Tooth Song

(Tune: Allouette)

(name) had a loose tooth,
A wiggly, jiggly loose tooth.
(name) had a loose tooth,
And finally pulled it out!

Yes, she (he) finally pulled it out.
Yes, she (he) finally pulled it out.
Pulled it out! Pulled it out!
OH OH Ohhhhhhhh!

(name) had a loose tooth,
A wiggly, jiggly loose tooth.
(name) had a loose tooth,
And finally pulled it out!

Crocodile Song

(Traditional tune)

She sailed away on a sunny summer day *(place
one hand on top of other, stick thumbs out to side and
row them back and forth as drift hands forward)*
On the back of a Crocodile *(clap hands three
times)*

You see, said she, he's as tame as can be *(point
and shake index, pet back of hand)*

I'll ride him down the Nile *(same as line 1)*

The Croc winked his eye *(point to eye and wink)*

as she bade them all good-bye *(wave good-bye)*

wearing a happy smile *(fingers pull smile)*

At the end of the ride *(same as line 1)*

The Lady was inside *(pat tummy)*

And the smile on the crocodile *(fingers pull
smile)*

Prep Time: 15 minutes

What you'll need:

- ✓ Red apple
- ✓ Mini marshmallows
- ✓ Peanut butter
- ✓ Apple cutter/corer
- ✓ Butter knife

Preparation:

Cut apples into wedges. Smear peanut butter on one side of 2 wedges. Stick a few marshmallows on the peanut butter on one of the apple wedges and top with the other apple wedge - peanut butter side down. When you look at this it looks like a smile (the red part of the apple are the lips and the marshmallows are the teeth!)
